About Childhelp

CEO and Co-Founder Sara O'Meara and President and Co-Founder Yvonne Fedderson started Childhelp in 1959, establishing it as a leading national non-profit organization dedicated to helping victims of child abuse and neglect and at-risk children. Childhelp's approach focuses on advocacy, prevention, treatment and community outreach.

The Childhelp National Child Abuse Hotline, 1-800-4-A-CHILD®, operates 24 hours a day, seven days a week, and receives calls from throughout the United States, Canada, the U.S. Virgin Islands, Puerto Rico and Guam. Childhelp's programs

and services also include residential treatment services; children's advocacy centers; therapeutic foster care; group homes and child abuse prevention, education and training. Childhelp also created the National Day of Hope[®], held each April during National Child Abuse Prevention Month that mobilizes people across America to join the fight against child abuse.
